

ERRATA

Flange Bending in Single Curvature*

Paper by BO DOWSWELL

(2nd Quarter, 2013)

Equations 33 and 38 should be replaced with the following:

$$C_{zI} = 1.81 - 1.15\lambda + 1.06e^{-7.70\lambda} \quad (33)$$

$$C_{zI} = 2.23 - 1.49\lambda + 1.39e^{-18.3\lambda} \quad (38)$$

*Another errata for this paper appears in 3rd Quarter 2013.

ERRATA

Flange Bending in Single Curvature

Paper by BO DOWSWELL

(2nd Quarter, 2013)

The second to last sentence of the first column on page 81 should read:

Therefore, the spacing effect can be neglected if the distance between adjacent wheel loads is more than the flange width.
