

Letter from the Editor

Dear Readers,

Happy New Year! At the start of this shiny new year, I would like to recognize all the hard work of our many reviewers, last year and every year. Their contributions are invaluable to the success of the *Journal* as we continue to strive to bring you the very best articles and information in the steel construction industry.

Is there a steel design topic you would like to see in *EJ*? We are always looking for ideas for papers. Authors interested in submitting papers should visit our website at www.aisc.org/ej for author guidelines and submittal information.

Best wishes for a healthy and happy 2025!

Sincerely,

A handwritten signature in black ink that reads "Margaret A. Matthew". The signature is written in a cursive style with a large, sweeping flourish at the end.

Margaret A. Matthew, P.E.
