

Errata

Proposed Criteria for Load and Resistance Factor Design

Paper by THEODORE V. GALAMBOS and M. K. RAVINDRA
(1st Quarter 1978)

- Page 8:** The name of Dr. M. K. Ravindra, co-author of the subject paper, was inadvertently omitted from the author credit line. Dr. Ravindra is Supervisor of the Probabilistic Analysis Section, Sargent & Lundy Engineers, Chicago, Ill.
- Page 14:** In Fig. A2, the span dimensions should read 30' instead of 15'.
- Page 15:** In the right hand column, 5th line from the bottom, " $h/t = 12.33$ " should read " $h/t = 224$ ".
